Dear Students and Parents,

Today in their class your child learned what character they will play in this year's dance recital. The Dancing School's 54th annual recital will be "The Bird Who Found Her Wings". Remember, the recital will be Sunday, June 7, 2026, and the mandatory Dress Rehearsal will be Saturday, June 6 at Roosevelt High School in Fresno.

Although it seems very early, we need to order costumes in December to ensure their arrival by June. Please stop by the desk downstairs in the next few weeks to have your child measured for their costume.

Please pay for your recital package by December 15th. The package includes participation in the recital, dress rehearsal, costume and entrance to the show for you, your family, and friends. Of course, the prices charged don't actually cover all those expenses. The Dancing School happily subsidizes costumes to help all our students participate. Recital packages paid after December 15th will have additional shipping costs and costumes may arrive later. We cannot guarantee shipping dates for costumes ordered late.

Please ask your teacher if you have any questions or contact Beth.

Recital Packages: 1 class/week = \$57
 2 classes/week with additional costume = \$110
 3 classes/week with additional costume = \$165
 4 classes/week with additional costume = \$220

Sincerely,

Deanna, Julie, Nikki, Victoria, Bella & Beth
